## **Ruby's Wish** Shirin Yim

Ruby is unlike most little girls in old China. Instead of aspiring to get married, Ruby is determined to attend university when she grows up, just like the boys in her family. Based upon the inspirational story of the author's grandmother and accompanied by richly detailed illustrations, Ruby's Wish is an engaging portrait of a young girl who strives for more and a family who rewards her hard work and courage.

### **From reader reviews:**

#### **Priscilla McNeil:**

Hey guys, do you wish to find a new book you just read? Maybe the book with the headline Ruby's Wish suitable to you? Typically the book was written by a well-known writer in this era. The actual book titled Ruby's Wish is a single of several books in which everyone reads now. This book has inspired many people in the world. When you read this e-book you will enter the new age that you have never known before. The author explained their idea in a simple way, so all of us can easily comprehend the core of this guide. This book will give you a large amount of information about this world now. So that you can see the representation of the world in this particular book.

#### **Larry Dolin:**

Is it a person who has spare time then spends it whole day by watching television programs or just lying on the bed? Do you need something new? This Ruby's Wish can be the answer, oh how come? It's a book you know. You are therefore out of date, spending your extra time by reading in this completely new era is common not a geek activity. So what do these guides have that the others?

#### **Clyde Miller:**

That e-book can make you feel relaxed. This specific book Ruby's Wish was colorful and of course has pictures on there. As we know that book Ruby's Wish has many kinds or genres. Start from kids until young adults. For example Naruto or Private Eye Conan you can read and believe you are the character on there. So, not all of the books generally make you bored, any of them makes you feel happy, fun and unwind. Try to choose the best book for yourself and try to like reading that.

#### **Joyce Shryock:**

Reading an e-book makes you get more knowledge from this. You can take knowledge and information from your book. A book is created or printed or outlined from each source in which is filled with updates of news. In this particular modern era like at this point, many ways to get information are available for an individual. From media social like newspaper, magazines, science book, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Are you hip to spend your spare time to open your book? Or just seeking the Ruby's Wish when you need it?
