Stop Breakin Down: Stories John McManus

Winner of the Whiting Writers' Award

In a voice somewhere between Cormac McCarthy and Kurt Cobain, John McManus explores young people living in extreme situations. Some are in the Tennessee Smoky Mountains, some in the Pacific Northwest, a few are in the Western deserts of Utah and Nevada, one is in England, and many are scattered throughout the Southern US. All are desperate for something beyond the ordinary lives that are given to them, and every one is absolutely unforgettable.
