## The Fallen Curtain: Stories (Vintage Crime/Black Lizard) Ruth Rendell

A stranger lures a child into his car with the promise of sweets. A young man spots his fiancée's double in a public park of ill repute. An executive visits the secluded home of a former employee whose intentions are frightfully unclear. A modest soul weds the woman he rescues from suicide—only to fall victim to an unfathomable form of possessiveness...

In the eleven tales gathered in *The Fallen Curtain*, Ruth Rendell—the grande dame of the literary mystery—lays bare the twisted inner workings of the unbalanced mind. Here are eleven tales of haunting psychological accuracy: the gesture that betrays a parent's madness, the childhood memory clouded with denial, the utterance that introduces the threat of violence in a situation as benign as a dinner date. Instantly engaging, maddeningly addictive, *The Fallen Curtain* testifies to the enduring talents of a master of the genre.

*From the Trade Paperback edition.*
