You may think of yourself as a Gemini, but would you be surprised to discover that emotionally you are a Scorpio? Most of us are familiar with our Sun sign but many people are unaware of the insights that our Moon sign can give us into our emotional self and our relationships with family, friends... and even would-be partners! This book combines your personal Sun and Moon signs, offering you a personality profile, with 144 different combinations.

Written in David's typical light-hearted and humorous style, it is a fun read - but still contains some very hard-hitting observations.
