A Very Small Farm

William Paul Winchester

A Very Small Farm William Paul Winchester

In the tradition of Thoreau's *Walden*, William Paul Winchester offers a chronicle of everyday life on Southwind, his farm of twenty acres. As a subsistence farmer, he builds his own house and barn, puts in a garden and an orchard, acquires a milk cow, and takes up beekeeping. In these pages, we hear his thoughts on such subjects as the weather, seasonal changes, machinery repair, the flora and fauna of the region, and vegetarian cooking. His philosophy, like his lifestyle, is simple, yet profoundly wise.
