Cases & Materials on Remedies (American Casebooks) David I. Levine, David J. Jung, Angus Macbeth
The authors have added problems to many sections of the text, for use as written assignments or as the basis for oral discussion. The private law subjects, including restitution, are reorganized and expanded. The authors also improved the usefulness of the teacher's manual by adding coverage, including briefs for every principal case. Includes introduction to the law of remedies; nature, availability, and scope of injunctions; procedures for formulating, administering, and enforcing the injunction; declaratory judgment; criminal and civil sanctions; damages; restitution and restitutionary remedies; collection of monetary judgments; conduct of the plaintiff; and bars to obtaining relief.
