Christianity in a Culture of Conflict Clifford E. Bajema

These six addresses are nothing less than a call to arms. Bajema musters his readers to arm themselves-heart, soul, and mind-to combat the spirits of our age. The weapon? "Holiness." A holiness founded in the prophetic voice of the old and the stunning victory of the new testaments of God's Word. From devout poetic reflection to animated entreaty, Bajema's words will engage the reader in the ongoing battle to which the body of Christ is called until the nations walk in the light of the lamp of the Lamb.
