It's been five years since Parker Redman's life changed dramatically. Now he's making a name for himself across the country as an outspoken advocate for father's rights. After his horrific experience of being forced to pay child support for a child he never created, he vowed to change the system one desperate father at a time. Serena has had enough. Everywhere she turns, she's reminded of Parker and his noble work for helpless fathers. But she's about to blow the lid off his hustle! Now that she's revealed her daughter's real father, she's going on record to expose him for the hypocrite she thinks he is.

Upon her release from prison, Lachez Baker is livid to learn of her son's plans to marry. At seventeen, Junie is headstrong and determined to live the good life at any cost. But when Lachez finds out about the cougar that's latched on to her son, she's determined to stop this travesty before wedding bells ring.
