Carlos Fuentes

**La frontera de cristal (Spanish Edition) Carlos Fuentes**

**En *La frontera de cristal*, Carlos Fuentes es el mismo narrador de sus mejores libros: agresivo, vital, poderoso. Encuentra todos los ángulos posibles en una historia, con una variante insospechada: la comicidad.**

**Fuentes reproduce la separación que se ha dado entre México y Estados Unidos a lo largo de 200 años y la examina con el cristal de la discriminación, el racismo, la violencia, pero también la fuerza de la vida mexicana, que parece sobrevivir a todas las agresiones.**

Esta es una novela relatada en nueve cuentos que transcurre, de un lado y del otro, en las proximidades de la raya fronteriza entre México y Estados Unidos. Más allá de lo inevitable, que suele venir en forma de discriminación, violencia y desamparo, los personajes que habitan estas páginas encuentran material para los sueños y energía para el humor, así sea tan sólo porque saben que la vida también llega a una frontera.
