Monroe: The Early Years (Images of America) Craig E. Hutchison, Kimberly A. Hutchison
One of the oldest settlements in Michigan, Monroe is a treasure trove of American history. Legacies of Native American cultures, French settlement, the War of 1812, the Civil War, and 19th-century progress still echo through its beautiful streets and structures. The Monroe area is nationally known as the site of the Battles and Massacre of the River Raisin, among the largest engagements of the War of 1812. But perhaps it is better known as the home of General George Armstrong Custer, the great Civil War hero who valiantly led Union troops to victory, only to perish at the Battle of Little Bighorn. This book uses rare images and historical insights to document and celebrate Monroe's early development, military legacy, legendary figures, and architectural splendor.
