PMP® Exam Challenge!, Fifth Edition (ESI International Project Management Series) J. LeRoy Ward, Ginger Levin

Completely revised and updated, this easy-to-use, flashcard-format book lets readers quiz themselves on all nine of the project management knowledge areas and the professional responsibility domain. That's a total of 600 questions, and each one includes references to the five project management process groups, the focus of the PMP® exam. The book is comprised of chapters for each of the processes and each chapter contains 60 questions and answers. A proven tool for preparing for the PMP® certification exam, the book covers information not included on the PMBOK, but that is required to pass the test, such as various quality management concepts, communications styles, and more.
