## **Scenery for Model Railroads** Bill McClanahan

Model railroading as a hobby is much more than rail cars and engines. It includes landscapes, countryside, roads, buildings, vehicles, model figures, lights, and features such as rivers, hills, and canyons. Creating these images, making them realistic and appropriate is an art. Bill McClanahan was an expert in his field and he shares the many tricks and tips that he learned in creating his famous Texas & Rio Grande Western layout. Staining, coloring, method of layout and water features are just a few of the subjects covered.
