Killer Heat (Alex Cooper Book 10) Linda Fairstein

It's August in New York, and the only thing that's hotter than the pavement is Manhattan D.A. Alex Cooper's personal and professional life. Just as she's claiming an especially gratifying victory in a rape case, she gets the call: the body of a young woman has been found in an abandoned building. The brutality of the murder is disturbing enough, but when a second body is found in Brooklyn, beaten and disposed of in the exact same manner, the city's top brass want the killer found fast. Relying on razor sharp instincts, a whip-smart partner, and one big break Alex races to find the killer and keep him from killing again, even if it's at her own peril.
