When Rilke, a dissolute and promiscuous auctioneer, comes upon a hidden collection of seemingly violent photographs, he feels compelled to unearth more about the deceased owner who coveted them. What follows is a compulsive journey of discovery, decadence, and deviousness that leads Rilke into a dark underworld of transvestite clubs, seedy bars, and porn shops. In this hidden city haunted by a host of vividly drawn characters, Rilke comes face to face with the dark desires and illicit urges that lurk behind even the most respectable facades.
