A Taste for Money Peter Mars

A novel based on the true story of a dirty Boston cop. Six shots fired from a .357 magnum handgun disrupted the quiet solitude of Maine's Belgrade Lakes Great Pond. All fired at close range, the bullets had done their job. Terrence Maloney was dead. The one-time newspaper reporter would now become the subject of a news story instead of its author. And the story would expose secrets which not only explain why his wife of fifteen years killed him, but also his link to a massive drug trade in which his partner was a Boston cop.

Drugs and guns are a deadly combination when greed creates a desire, which demands satisfaction... a desire fueled by a taste for money.

In his second novel based on actual events, police veteran turned author, Peter Mars again enters the world of rogue cops telling a story that the Boston Police do not want you to know. After all, no police agency wants its good reputation tarnished. From his thirty years in law enforcement, Mars brings to the surface the corruption and criminal activity usually kept hidden from the public. And the pristine woods of Maine make an ideal hiding place for two men also wanting to keep their illicit business a secret.

A Taste for Money delves into the background and lives of men bent on using their positions of respect and power as a means to by-pass the law while satisfying their hunger for monetary wealth.
