Ever felt like someone was trying to keep you away from something that was rightfully yours? They played you for a fool and thought they would get the last laugh? Well, not in Angel's world. Meet Angel Jacobs, a chick who will get what's hers at all costs, even if it might cost someone else's life.

The State of Illinois is trying to label her as a serial killer, but will her previous diagnosis of mental illness save Angel from living the remainder of her life in a six by six jail cell? In Angel's eyes, whether she wins or loses the case, she's still going to come out on top. Become entangled in the web Angel weaves, where it's not always easy to know what's real and what's a product of her twisted mind. It's unlike any other urban tale. Don't be surprised if, just like some of Angel's victims, you get caught up!
