Children of the Ghetto: A Study of a Peculiar People Israel Zangwill

In its first appearance in 1892, Israel Zangwill's *Children of the Ghetto* created a sensation in both England and America, becoming the first Anglo-Jewish bestseller and establishing Zangwill as the literary voice of Anglo-Jewry. A novel set in late nineteenth-century London, *Children of the Ghetto* gave an inside look into an immigrant community that was almost as mysterious to the more established middle-class Jews of Britain as to the non-Jewish population, providing a compelling analysis of a generation caught between the ghetto and modern British life.

This volume brings back to print the 1895 edition of *Children of the Ghetto*, the latest American version known to have been corrected by the author. Meri-Jane Rochelson places the novel in proper context by providing a biographical, historical, and critical introduction; a bibliography of primary and secondary sources; and notes on the text, making this ground-breaking novel accessible to a new generation of readers, both Jewish and non-Jewish alike.
