# Sources and Debates in Modern British History: 1714 to the Present

## Sources and Debates in Modern British History: 1714 to the Present

Designed to complement the author's *A History of Modern Britain*, this collection of primary sources illuminates and augments the study of modern Britain with coverage of political, imperial, and economic history as well as class and cultural issues

- Features a broad range of documents, in a well-structured and easy-to-use format, including important, well-known documents and lesser-known excerpts from memoirs and private correspondence
- Provides up-to-date, balanced coverage of political, imperial, social, economic, and cultural history with over 180 documents
- Offers a thorough rendering of social class and national identity, including coverage of changes in British society over the last 20 years
- Includes discussion questions for each document, as well as lists of historical debates and extensive bibliographies of both on-line and traditional sources for students' further research
