## **Room for Love**

*Can she make room for love?*

When wedding planner Carrie Archer inherits the crumbling Avalon Inn where she spent her childhood summers, she knows she'll do whatever it takes to turn it into a dream wedding venue and the perfect home.

But Carrie has been left more than the inn—she's also inherited its occupants, including three senior citizens, a single-father chef with childcare issues, a panicky receptionist, and one very gorgeous gardener.

So when her cousin Ruth declares her intention to get married at the Avalon on Christmas Eve, Carrie finds herself juggling decorating with dance nights, budgeting with bridge games...and sabotage with seduction. The Avalon Inn is finally coming to life again and bringing Carrie along with it!

## **An A to Z of Love**

*Everyone's talking about Mia Page. Again.*

Mia Page has been the subject of gossip in Aberarian for half her life, ever since her father ran off with his secretary—and the contents of the local museum safe—when she was fourteen.

Still, Mia loves her hometown, loves working at the A to Z shop, eating with her best friend Charlie at his restaurant, catching the midnight movie at the crumbling Coliseum cinema. And if she ever wonders if things might be even better if Charlie were more than just a friend, well, it's only an idle thought in a lonely moment. After all, friendship always trumps romance, doesn't it?

But everything she loves is suddenly under threat from Charlie's ex-girlfriend, Becky, and her plans to turn Mia's beloved Coliseum into a casino, transforming the sleepy seaside town forever. As Mia tries to pull the people of Aberarian together to save the town they adore, her father reappears, and people start asking what he wants to take from them this time...

## **Summer of Love**

*It's only a summer fling...*

Boutique jewellery designer Lily Thomas knows hating the boring ring her fiancé gave her isn't a good enough reason to end a seven-year relationship. Especially when settling down with Edward is the only thing she's ever done right in the eyes of her mother—and her hometown. Besides, everyone else seems to be getting married: Lily's best friend Cora, her cousin, her friends from work. So why not Lily?

But when Alex Harper, Lily's high school crush, moves back to Felinfach, he shows her exactly why. She can't pretend to be someone she's not just to keep her fiancé happy...so Lily calls off her engagement, but she still needs a date to all the weddings crowding her summer calendar. Conveniently, Alex has a few weddings to attend as well.

They agree to be wedding buddies, and soon the whole town is talking about them. If everyone's going to talk anyway, why shouldn't Lily and Alex make the most of it? As long as they both know it's only a summer fling...
