## **Una nueva evangelización (Libros Palabra) (Spanish Edition)** Antonio Aranda Lomeña

Para el autor, la nueva evangelización propiciada por Benedicto XVI, a través de la creación de un Consejo Pontificio y de un Sínodo de Obispos dedicados a ella, es la ocasión esperada para revitalizar la acción apostólica de los cristianos en todos los ámbitos de la sociedad. "En realidad el eclipse de Cristo en la sociedad contemporánea es sencillamente el eclipse de los cristianos en cuanto fieles seguidores de Jesucristo, contentos de serlo y con la sana ambición de que otros lo conozcan y quieran estar libremente con Él".

Mons. Rino Fisichella, Presidente del Pontificio Consejo para la Promoción de la Nueva Evangelización, destaca en el Prólogo que "obviamente el mensaje del Evangelio es inmutable, pero debemos tomar nota de los cambios que han ocurrido en nuestra sociedad contemporánea y en los hombres y mujeres a quienes va dirigido el anuncio". Y resalta que "el trabajo del profesor Antonio Aranda es un precioso instrumento para ayudar a comprender el proceso actual y, sobre todo, la urgencia de la Nueva Evangelización".

Antonio Aranda es matemático y doctor en Teología. Profesor de Teología Dogmática en la Universidad de Navarra y en la Pontificia Università della Santa Croce (Roma). Ha dirigido las revistas Scripta Theologica y Annales Theologici; autor de numerosas publicaciones, es miembro de la Sociedad Mariológica Española, de la Real Academia de Doctores y del Comité científico del Instituto Histórico San Josemaría Escrivá. Ha participado como experto en el Sínodo de Obispos de 2012 sobre "La Nueva Evangelización para la transmisión de la fe cristiana".
