**Biblical Hebrew Made Easy!: The Complete System** Blair Kasfeldt

**Master Biblical Hebrew -- Quickly and Easily! Includes two books in one volume, "Biblical Hebrew Made Easy! The Triad System" and "Biblical Hebrew: Vocabulary Made Easy!"**

Utilizing ancient memory principles, students of Biblical Hebrew will quickly learn: the verbal system, the seven stems of the Strong Verbs and over 700 Biblical Hebrew words!

The "Triad System" and vocabulary memory system transforms abstract letters and vowels into concrete and easily rememberable signs. Students using this method will progress quickly in mastering the most difficult aspect of any language -- the verbal system.

The vocabulary section of this text covers troubling "sound-alike" words in Hebrew. Students will learn how to inductively keep words that sound alike in Hebrew distinct.

If you've ever struggled with learning Hebrew or thought learning Hebrew was out of your grasp, this is a "must-have" addition to your library!

This text is a complete system of memorization for Biblical Hebrew paradigms and vocabulary, not a Hebrew Grammar.

Features include: "Master Study Plan," extensive chapter end notes, "Read Aloud" exercises, "Homophone Challenge" at the end of each chapter and "Expert Advice" from renowned Biblical Hebrew Professors.

The vocabulary guide is keyed to Page Kelley's, "Biblical Hebrew: An Introductory Grammar." It is easily adaptable to any standard Hebrew grammar or as a stand alone vocabulary guide and builder. Includes a full Hebrew to English and English to Hebrew Indices. A standard Hebrew Grammar will be necessary to benefit the most from this amazing system of memorization.

Large Hebrew print is used for easy reading.
