Big City, Bad Blood Sean Chercover

A disillusioned newspaper reporter turned private detective, Ray Dudgeon isn't trying to save the world. He just wants to do an honest job, and do it well. But when doing an honest job threatens society's most powerful and corrupt, Ray's odds for survival make for a sucker's bet. . . .

While working on a movie in Chicago, Hollywood locations manager Bob Loniski saw something he shouldn't have. Now he's a prosecution witness against a suspected member of the Chicago Outfit. Petrified, he comes to Ray for protection. Ray's mob contacts insist that they have no interest in Loniski, so he takes the bodyguard gig.

Then people start dying and everything goes to hell.

Ray's investigation leads to a stash of blackmail files involving the sex trade, Washington political corruption, and a deadly power struggle among Chicago's organized crime bosses—setting the FBI, the Chicago police, and the mob on his tail. He now holds evidence against top-ranking cops and politicians . . . but with the line between good and bad blurring, he doesn't know who he can trust.

If he does the right thing, Ray is sure to die. But if he doesn't, how can he live with himself?

From the back alleys of Chicago to the man-sions of Beverly Hills to the corridors of power in Washington, D.C., Sean Chercover's *Big City, Bad Blood* propels readers relentlessly forward on a bullet-fast, adrenaline-pumping ride they will not soon forget.

From reader reviews:

Teressa Fernandez:

Reading a guide tends to be new life style in this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or maybe their experience. Not only the storyplot that share in the ebooks. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors in this world always try to improve their ability in writing, they also doing some research before they write to their book. One of them is this Big City, Bad Blood.

Christina Vallejo:

Big City, Bad Blood can be one of your starter books that are good idea. We recommend that straight away because this guide has good vocabulary that will increase your knowledge in terminology, easy to understand, bit entertaining but nevertheless delivering the information. The article writer giving his/her effort to get every word into delight arrangement in writing Big City, Bad Blood yet doesn't forget the main level, giving the reader the hottest and based confirm resource details that maybe you can be one among it. This great information can drawn you into fresh stage of crucial imagining.

Joan Munoz:

Your reading sixth sense will not betray anyone, why because this Big City, Bad Blood guide written by well-known writer whose to say well how to make book that could be understand by anyone who have read the book. Written throughout good manner for you, leaking every ideas and writing skill only for eliminate your personal hunger then you still doubt Big City, Bad Blood as good book not only by the cover but also with the content. This is one guide that can break don't assess book by its deal with, so do you still needing another sixth sense to pick this!? Oh come on your studying sixth sense already said so why you have to listening to an additional sixth sense.

Donna Gamble:

E-book is one of source of expertise. We can add our know-how from it. Not only for students but in addition native or citizen need book to know the up-date information of year to help year. As we know those books have many advantages. Beside most of us add our knowledge, could also bring us to around the world. By book Big City, Bad Blood we can consider more advantage. Don't you to be creative people? Being creative person must like to read a book. Only choose the best book that appropriate with your aim. Don't end up being doubt to change your life with that book Big City, Bad Blood. You can more inviting than now.
