**Evangelism Remixed: Empowering Students for Courageous and Contagious Faith** Dave Rahn, Terry D. Linhart

One of the primary goals of a youth ministry is to help students learn to share their faith with people in their lives. However, evangelism often proves to be one of the toughest parts of student ministry. But evangelism and teenagers don't have to be mutually exclusive terms. After two years of intense research, visiting the most effective youth ministries in the country, youth ministry veterans Dave Rahn and Terry Linhart offer youth workers tools to help develop students whose faith is courageous and contagious. In this thought-provoking, yet practical book, youth workers will be reminded of the importance of helping students develop to the point where they naturally influence others for Christ in their everyday lives. *Evangelism Remixed* offers principles that enable youth workers to evaluate their ministry's evangelism effectiveness and provides step-by-step tools to help them put the concepts into real-life practice, including the importance of the role of adults as mentors and incorporating prayer into the process.
