Life is "plane lonely" when best friends are apart!

When Big Jake tells Snuffy and Jay Jay that he's taking a trip far, far away, the little planes know they'll miss their buddy. But they have no idea how MUCH until after Big Jake soars off into the clouds. That's when they realize just how looong the days can seem when a best friend is miles away. So just how do young planes cool their jets when all they can think about is missing someone? With a wing and a prayer-and a little help from God-Jay Jay and Snuffy discover how true friends can feel close even when they're apart. A high-flying adventure shows the unbreakable bond between friends while also providing a fun countdown activity that kids can actually use while waiting for someone special to return.
