In the House Lynn K. Kilpatrick

A collection of stories that limn the dangers of domesticity

In Lynn K. Kilpatrick's *In the House*, anything can happen. A collection of shorts—lists, character sketches, directions, scripts, and instructions—*In the House* reveals the often conspicuous, yet frequently overlooked, dangers of relationships gone awry.

In a home suffused with fragility or in a kitchen surrounded by knives, Kilpatrick's men and women navigate around one another's eccentricities with caution, highlighting the unspoken desires and veiled needs of domestic routine. In these stories those desires collide, illuminating the dangers that can lurk in seemingly insignificant places such as the pantry, a basement, the Miss America pageant, dioramas, or in the mind of the one you love.
