Italian Neighbors

Tim Parks

Italian Neighbors Tim Parks

In this deliciously seductive account of an Italian neighborhood with a statue of the Virgin at one end of the street, a derelict bottle factory at the other, and a wealth of exotic flora and fauna in between, acclaimed novelist Tim Parks celebrates ten years of living with his wife, Rita, in Verona, Italy. Via Colombre, the main street in a village just outside Verona, offers an exemplary hodgepodge of all that is new and old in the bel paese, a point of collision between invading suburbia and diehard peasant tradition in a sometimes madcap, sometimes romantic always mixed-up world of creeping vines, stuccoed walls, shotguns, security cameras, hypochondria, and expensive sports cars.

Tim Parks is anything but a gentleman in Verona. With an Italian-born wife, an Italian made family, and a whole Italian condominium bubbling around him, he collects a gallery full of splendid characters who initiate us into all the foibles and delights of life in provincial Italy.

More than a travel book, Italian Neighbors is a sparkling, witty, beautifully observed tale of how the most curious people and places gradually assume the familiarity of home. Italian Neighbors is a rare work that manages to be both a portrait and an invitation for everyone who has ever dreamed about Italy.

From reader reviews:

Mark Gatling:

The book Italian Neighbors can give more knowledge and information about everything you want. Exactly why must we leave a good thing like a book Italian Neighbors? Several of you have a different opinion about book. But one aim that book can give many facts for us. It is absolutely appropriate. Right now, try to closer with the book. Knowledge or details that you take for that, you could give for each other; you could share all of these. Book Italian Neighbors has simple shape however, you know: it has great and massive function for you. You can appear the enormous world by open up and read a book. So it is very wonderful.

Teresa Laureano:

The book Italian Neighbors has a lot details on it. So when you read this book you can get a lot of benefit. The book was written by the very famous author. Tom makes some research ahead of write this book. This kind of book very easy to read you can get the point easily after reading this book.

Jill Weber:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book had been rare? Why so many query for the book? But any kind of people feel that they enjoy to get reading. Some people likes looking at, not only science book but also novel and Italian Neighbors or even others sources were given understanding for you. After you know how the great a book, you feel would like to read more and more. Science book was created for teacher or maybe students especially. Those textbooks are helping them to add their knowledge. In additional case, beside science e-book, any other book likes Italian Neighbors to make your spare time considerably more colorful. Many types of book like here.

Lisa Phelps:

As a pupil exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's heart or real their pastime. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Italian Neighbors can make you experience more interested to read.
