## **Your Hidden Power** Thomas Troward

The Kabbalists tell us of "the lost word," the word of power which mankind has lost. To him who discovers this word all things are possible. Is this mirific word really lost? Yes, and No. It is the open secret of the universe, and the Bible gives us the key to it. It tells us, "The Word is nigh thee, even in thy mouth and in thy heart." It is the most familiar of all words, the word which in our heart we realise as the centre of our conscious being, and which is in our mouth a hundred times a day. It is the word "I AM." Because I am what I am, I may be what I will to be. My individuality is one of the modes in which the Infinite expresses itself, and therefore I am myself that very power which I find to be the innermost within of all things.
