## **Family, Friend, or Foe: Pink Lips 2** Andre D. Jones

An unorthodox tale of lust and crime focusing on two sisters with aspirations of self-made success; but when loyalty is tested and trust is lost, murder, deceit, and betrayal turn their dreams into a nightmare.

In this suspenseful sequel to *Pink Lips*, sisters Willow and Kail are back but blood means nothing as the rise to the top becomes their main objective. Treating one another like strangers, they will stop at nothing until the other one is in the ground. Their motives are clear until loved ones rise from the dead and change their plans drastically.

The streets of Philadelphia become a reunion for everyone as Anoki, their estranged wife and mother, rises from the shadows. If that's not a big enough pill for Willow to swallow, then realizing that her first love, Giovanni, and their son, are still alive will make her choke.

Wanting peace for the sake of her son, Willow lets bygones be bygones. Kail, on the other hand, still wants power and the heads of anyone who will get in the way of it. Willow does everything she can to convince Kail to stop her madness, but she won't listen to reason. When Kail gets on Giovanni's hit list for trying to kidnap her nephew, Willow is forced to choose between love and family.
