## Make: Technology on Your Time Volume 17

In Volume 17, MAKE Magazine goes really old school with a special section on steampunk, featuring projects that blend Victorian era technology with the cutting edge. Build your own marble adding machine or geared candleholder, and make music with a random music generator.

MAKE continues to be a leader in the tech DIY movement due to its uncanny instinct to nail the curiosity, vitality, and passion of the growing community of Makers -- DIY enthusiasts, hobbyist engineers/designers, and many others. If you like to tweak, disassemble, recreate, and invent cool new uses for technology, you'll love MAKE, our project-based quarterly for the inquisitive do-it-yourselfer.
