Rights and Duties: Reflections on Our Conservative Constitution Russell Kirk

Transcending the commonplace that conservative constitutional interpretation is chained to the bare text of the document itself, the eminent political philosopher Russell Kirk lays the foundation for a conservative understanding of the "living Constitution" in a classic popular study of the social, cultural, and political inheritance of the American Founding. Respect for the country's "unwritten constitution"-the collective customs, mores, and conventions of the nation-will, Kirk argues, simultaneously restrain judges' temptations to social engineering from the bench and endow the Constitution with the flexibility necessary to survive the passage of decades and centuries. This reasoned and urbane contribution to our understanding of the Constitution confounds facile liberal-conservative dichotomies. First published in 1990 as *The Conservative Constitution*, this important book has been thoroughly revised and greatly expanded, with a new introduction by Russell Hittinger. One of Kirk's most original works, *Rights and Duties* draws a conservative portrait of "a revolution not made but prevented," of a Constitution owing more to British whiggery and the Common Law than to Locke and the Enlightenment.

Guadalupe McCoy:

As a college student exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some book, they are complained. Just small students that has reading's soul or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Rights and Duties: Reflections on Our Conservative Constitution can make you truly feel more interested to read.
