"Silent Sports Magazine"

Silent Sports Magazine is the monthly Where, When, How magazine for Outdoor Aerobic Sports in the upper Midwest (Wisconsin, Minnesota, Michigan, Illinois, Iowa and Ontario, Canada). Published each month, (12 issues per year) it's a one-of-a-kind magazine in publication since 1984, that features a variety of sports, such as Cycling, Running, Triathlon, Paddling, Nordic Skiing, and Snowshoeing -all under the same cover. Generally, the bulk of an issue is planned no more than one or two months in advance, so our content is fresh and current - a special feature our readers expect and appreciate. It has an extensive Calendar of Events, ranging from small events to high level participation and elite athlete events. We follow the seasons, providing complete regional coverage. We tell you the best places to go to enjoy your activities, and whom to see when you get there. We feature the silent sports people and places in the upper Midwest. We cover the news that affects the enjoyment of silent sports - from trail acquisition to regulations regarding mountain bike use. While we can be serious, Silent Sports will often take a light-hearted approach. It is the source for information on your favorite activities in your part of the country. We give you information you can use to help you get more out of the activities you participate in.
