**The Messenger: A Western Story** Bill Brooks

**Reeling from the death of his son, a down-on-his-luck rancher witnesses a random murder that pits him head-to-head with a blood-thirsty outlaw!**

Royce Blood had everything he wanted. He owned a small ranch on good land, and he and his wife, Ophelia, had a ten-year-old son, Nicholas. But Royce's life was shattered one day when Nicholas decided to take a typical afternoon swim in the river near the family's ranch. His father had no choice but to watch as his young son was attacked and killed by a bear.

Racked with the guilt of his son's death, Royce sets out to kill the animal, despite desperate pleas from Ophelia. When he finally returns, he finds Ophelia gone. Brokenhearted, Royce abandons everything, turning to drifting and drinking, until an old friend convinces him to take work as a messenger guard on his stage line. His circumstances becoming increasingly dire, Royce comes upon the outlaw Gypsy Davy, notorious for never leaving any witnesses to his crimes.

When Royce sees Gypsy Davy kill a woman, he decides to take the law, and his life, into his own hands and by killing Gypsy and avenging the woman's death. But with the local sheriff in his back pocket and his band of cronies protecting him, Davy is a hard man to find, let alone kill. But Royce is determined, and set on a path that will end with him or Gypsy six feet under. It's a story of wild Western law and mortality, making *The Messenger* a gritty tale of the lengths one man will go to save his soul.

Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West. Westerns—books about outlaws, sheriffs, chiefs and warriors, cowboys and Indians—are a genre in which we publish regularly. Our list includes international bestselling authors like Zane Gray and Louis L'Amour, and many more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
