Nana Cracks the Case!: Book 1 Cabell Harris, Kathleen Lane

Nana is not your ordinary grandma. She never wears clippy shoes, drinks prune juice, or worries about slippery surfaces. Eufala and Bog's nana would much rather join the circus, work as a backhoe operator, or maybe become a detective. Which is exactly what happens in this very funny chapter book. When Nana answers an ad in the local newspaper for a detective, she arrives at the police department just in time to investigate the theft of one entire case of delicious Yumdums candy. Can one little old lady find a way to save the day and stop the candy thief from striking again?
