Southern Arizona Cemeteries (Images of America) Jane Eppinga

In a quest to understand an area as diverse as Arizona, there can be no better way than to take a journey to the grave sites of its pioneers and observe the style whereby they made their journey from this world. The sites may be as simple as a cross or a shrine by the side of a road or as large as Tucson's Evergreen Cemetery, which has provided a final resting place to more than 40,000 interments. In this book, one will find the graves of governors, sheriffs, gunfighters, business owners, soldiers, schoolteachers, sports figures, madams, miners, and many others from all walks of life. Where possible, an image of the deceased and a brief bio has been included. The epitaphs, symbols, and expressions of grief on the graves provide an insight into the loss felt by family and friends. The graves are brief glimpses into Arizona's pioneer past.
