## Et medborgerskap i himlene (Multilingual Edition) Arne Jordly

Filipperne Et medborgerskap i himlene Og derfor venter vi med iver på vår Redningsmann PAKTEN er en uavhengig og moderne oversettelse av Guds ord. Den ligger så tett opptil den greske teksten som mulig, men med et klart og lettlest norsk språk. PAKTEN er en uavhengig og moderne oversettelse av Guds ord. Den ligger så tett opptil den greske teksten som mulig, men med et klart og lettlest norsk språk. PAKTEN presenterer først Filipperne i en kompromissløs oversettelse direkte fra det gammelgreske språket koiné. Deretter følger en lett forståelig forklaring på hvert avsnitt, og til slutt følger grunnteksten oversatt ord for ord, translitterært, fra gresk til norsk. Hvis du leter etter bevis for hva som er rett, er det bare å slå opp i grunnteksten. Bak i boken vil du finne en oversikt over bibelvers som ofte blir feil oversatt, noen ganger bevisst. Helt til slutt finner du noen artikler som belyser mer detaljert noe av det som særpreger Filipperne. Bibelvers i Kolosserne som ofte blir feil oversatt i norske oversettelser: Her følger en oversikt over en del bibelvers i Kolosserne som enten er direkte feil oversatt eller som er såpass forvrengt at de ikke gir en rett forståelse av Guds ord. En del vers er også bevisst forfalsket! Jeg bruker her Det norske bibelselskap, 'kirkebibelen', Norsk King James, opprinnelig en katolsk oversettelse, og i noen tilfeller også den norske Ny-verden fra Jehovas vitner som referansebibler. Deres tekst blir først sammenlignet med grunnteksten og til slutt med PAKTENs oversettelse. Til slutt følger kommentarer til teksten.
