## Hot Copy

*Stop the presses!*

When faced with a naked woman in bed, hotshot reporter Sam Kovacks usually knew *exactly* what to do. This time, however, was a little different. After all, he and Rachel Murray had just met—and they'd be working together for the next year. Hmm, maybe this new job would be exciting after all...

## From Caviar to Chaos

*He was speechless*

Acclaimed author Daniel MacCormick left the Big Apple for Oakes, Iowa, not because he wanted to rediscover his roots but because he had a major writer's block. He hoped to find his muse there... Instead he found his old house in chaos, occupied by a furry menagerie and his nemesis Jessica Sorenson. She'd grown up to be one gorgeous veterinarian, but he wasn't interested. At least, he *thought* he wasn't, until every heroine he wrote about turned into Jessie.
