Vegetarianism and Occultism

Charles Webster Leadbeater

Vegetarianism and Occultism Charles Webster Leadbeater

Invalidating its sometimes sinister connotation, C.W. Leadbeater defines occultism as "the study of the hidden laws of nature," thereby revealing its role-here intertwined with vegetarianism-in the pursuit of spiritual truth and wholeness. In this pamphlet, first published in 1913, Leadbeater, always keeping in mind the practical issues that arise and consistently providing scientific support, provides a thorough review of vegetarianism and the many ways it benefits the body and spirit through nutrition, purity, and harmony with nature. English clergyman turned spiritualist CHARLES WEBSTER LEADBEATER (1854-1934) was ordained as an Anglican priest, but later joined the prominent Theosophical Society and traveled to India to study alternative spiritual and occult practices, eventually settling into his life as a clairvoyant and author. His other works include *Man Visible and Invisible* and *The Science of the Sacrament*.
