## Wonderland - Piano/Vocal Selections from the Broadway Musical

(Piano/Vocal/Guitar Songbook). Wonderland is the delightful, soaring musical that takes a new kind of Alice into a world of kaleidoscopic fantasy and romantic adventure. As a mom whose life is spinning out of control, Alice's yearning for happier times leads her on a quest far below the streets of New York City, to the other side of the looking glass. There, she meets a marvelous cast of familiar but phenomenally re-imagined characters who help her navigate this impossibly peculiar universe, and change her life forever. Our folio features 19 piano/vocal selections from the Frank Wildhorn score, including: Advice from a Caterpillar \* Down the Rabbit Hole \* Finding Wonderland \* Go with the Flow \* Home \* I Am My Own Invention \* The Mad Hatter \* Off with Their Heads \* Through the Looking Glass \* Welcome to Wonderland \* and more. Includes a special section of full-color production photos!
