Word and Image: The Hermeneutics of The Saint John's Bible Michael Patella

In *Word and Image*, Michael Patella explores the principles, intentions, and aims of *The Saint John's Bible* - the first handwritten and hand-illuminated Bible commissioned by a Benedictine abbey since the invention of the printing press. Patella focuses not on how it was made but on how it can be read, viewed, and interpreted in a way that respects biblical inspiration and Christian tradition in our postmodern context. It is a book that is sure to appeal to academics, pastors, teachers, and educated laypersons.

Patella considers this Bible in the context of the great Christian tradition of illuminated Bibles across the ages and also the fascinating ways *The Saint John's Bible* reflects third-millennium concerns. He seeks to rekindle interest in sacred art by allowing *The Saint John's Bible* to teach its readers and viewers how to work with text and image. As an accomplished Scripture scholar, a highly regarded teacher, a monk of Saint John's Abbey, and the chair of the Committee on Illumination and Text that provided the Vision to the artists who created it, Patella may be the only one who could write this book with such insight, expertise, and love.

Michael Patella, OSB, SSD, is professor of New Testament at the School of Theology•Seminary of Saint John's University, Collegeville, where he also serves as seminary rector. His books include Angels and Demons: A Christian Primer of the Spiritual World (Liturgical Press, 2012), The Lord of the Cosmos: Mithras, Paul, and the Gospel of Mark (T&T Clark, 2006), and The Gospel according to Luke of the New Collegeville Bible Commentary Series (Liturgical Press, 2005). He has been a frequent contributor to The Bible Today and is a member of the Catholic Biblical Association. He served as chair of the Committee on Illumination and Text for The Saint John's Bible.

Ernest Bryan:

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just small students that has reading's internal or real their passion. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore, this Word and Image: The Hermeneutics of The Saint John's Bible can make you experience more interested to read.
