Financial Recovery Karen McCall

After healing her own unhealthy relationship with money, and transforming her financial disaster into prosperity and security, Karen McCall created a recovery program she has now used for more than twenty years to help individuals, couples, and businesses large and small. In the midst of her money troubles, she saw a need for something other than financial planners, accountants, and credit counselors. These experts could tell her what she should be doing differently, but she needed someone to help her understand the underlying causes of chronic, self-defeating overspending and credit card debt, underearning, and low or no savings. To save herself, she created practical, holistic tools that address these sources of pain and shame. McCall's program supports people as they uncover their deep-seated attitudes about money; provides simple, step-by-step tools for healing areas of physical, emotional, and spiritual deprivation; and teaches skills and strategies for experiencing lasting personal and financial fulfillment even in the midst of economic challenges and reversals.
