Future Church: Ministry in a Post-Seeker Age Jim L. Wilson

The church today is poised on a precarious balance between culture and content, between cultural relevance and doctrinal integrity. Like a seesaw, the church swings back and forth, compelled both to reach an entertainment-driven culture and to remain true to the Gospel. In *Future Church*, Jim Wilson presents 7 clear principles which become "fulcrum points," principles that will give the Church real leverage to reach people and push them upward toward the hand of God. These 7 Fulcrum Points are illustrated in real-life settings, as Wilson takes us on visits to churches that are utilizing them. This is the way of ministry in a post-seeker age. This is *Future Church*!
