## **Heart of a Soldier** James B. Stewart

From Pulitzer Prize winner James B. Stewart comes the extraordinary story of American hero Rick Rescorla, Morgan Stanley security director and a veteran of Vietnam and the British colonial wars in Rhodesia, who lost his life on September 11.

*Heart of a Soldier* is the extraordinary story of war, love and comradeship, danger and heroism, told by a Pulitzer Prize winner who is one of our finest writers.

When Rick Rescorla got home from Vietnam, he tried to put combat and death behind him, but he never could entirely. From the day he joined the British Army to fight a colonial war in Rhodesia, where he met American Special Forces' officer Dan Hill who would become his best friend, to the day he fell in love with Susan, everything in his remarkable life was preparing him for an act of generosity that would transcend all that went before.

*Heart of a Soldier* is a story of bravery under fire, of loyalty to one's comrades, of the miracle of finding happiness late in life. Everything about Rick's life came together on September 11. In charge of security for Morgan Stanley, he successfully got all its 2,700 men and women out of the south tower of the World Trade Center. Then, thinking perhaps of soldiers he'd held as they died, as well as the woman he loved, he went back one last time to search for stragglers.
