Over the Edge

Harlan Ellison

Over the Edge Harlan Ellison

Over the Edge, a collection of twelve short stories and essays from Harlan Ellison, is a must-read for any fan of the wild abandon and laser focus of one of the century's most brilliant authors. Complex, alluring, audacious, sublime—it is not hyperbole when applied to the Hugo and Nebula Award-winning author whom the *Washington Post* calls “one of the great living American short story writers.”
