## **Stop at Nothing: The Life and Adventures of Malcolm Turnbull** Annabel Crabb

In *Stop at Nothing* Annabel Crabb brings all her wit and perceptiveness to the story of Malcolm Turnbull. This is a memorable look at the Prime Minister in action – his flaws and achievements – as well as his past lives and adventures.

Drawing on extensive interviews with Turnbull, Crabb delves into his university exploits – which included co-authoring a musical with Bob Ellis – and his remarkable relationship with Kerry Packer, the man for whom he was first a prized attack dog and then a mortal enemy. She examines the extent to which Turnbull – colourful, aggressive, humorous and ruthless – has changed.

Crabb tells how he first lost, and then won back, the Liberal leadership, and explores the challenges that now face him today as the forward-looking leader of a conservative Coalition.

‘The most incisive portrait of Turnbull that’s been written.’—David Marr

Annabel Crabb is one of Australia's most popular political commentators, is the presenter of *Kitchen Cabinet* and writes for *The Drum*.
