Comprehensive Otolaryngology Review: A Case-Based Approach Aaron M. Fletcher

Comprehensive Otolaryngology Review is a study guide which provides a concise review of high-yield Otolaryngology topics intended for preparation for the Otolaryngology in-training exam and the Otolaryngology boards.

Primarily intended for Otolaryngology residents or fellows in training who are preparing for the board certification exam or the in-service training exam, the book is also useful for those who are preparing for re-certification examinations in Otolaryngology. The book is a rapid review, arranged in an interactive topical fashion by presenting questions in a case-based format with high-yield clinical vignettes intended to cover frequently tested concepts from each of the major areas of Otolaryngology. The text includes color images, radiographs, audiograms, etc. that are intended to highlight the characteristic presentation of commonly tested conditions within the field of Otolaryngology.

Key features:

Contains 44 cases with high-yield clinical vignettes

Topics are arranged around questions and answers with references

Includes illustrations and tables that highlight commonly tested conditions in the ENT field for optimal study

From reader reviews:

Jimmy Hicks:

The publication with title Comprehensive Otolaryngology Review: A Case-Based Approach includes a lot of information that you can discover it. You can get a lot of profit after read this book. This specific book exist new expertise the information that exist in this reserve represented the condition of the world currently. That is important to yo7u to know how the improvement of the world. That book will bring you throughout new era of the syndication. You can read the e-book on your smart phone, so you can read it anywhere you want.

Jacki Peters:

Is it anyone who having spare time and then spend it whole day by means of watching television programs or just resting on the bed? Do you need something totally new? This Comprehensive Otolaryngology Review: A Case-Based Approach can be the response, oh how comes? The new book you know. You are and so out of date, spending your time by reading in this completely new era is common not a geek activity. So what these ebooks have than the others?

Margaret Parker:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just little students that has reading's internal or real their hobby. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Comprehensive Otolaryngology Review: A Case-Based Approach can make you truly feel more interested to read.

Paige Robinson:

What is your hobby? Have you heard that will question when you got learners? We believe that that question was given by teacher with their students. Many kinds of hobby, Everyone has different hobby. And you know that little person such as reading or as reading become their hobby. You must know that reading is very important in addition to book as to be the point. Book is important thing to incorporate you knowledge, except your own teacher or lecturer. You will find good news or update concerning something by book. Amount types of books that can you go onto be your object. One of them is niagra Comprehensive Otolaryngology Review: A Case-Based Approach.
