Gods of Mischief: My Undercover Vendetta to Take Down the Vagos Outlaw Motorcycle Gang George Rowe

This is the high-octane, no-holds-barred, true story of a bad guy turned good who busted open one of the most violent outlaw motorcycle gangs in history.

George Rowe's gritty and harrowing story offers not only a glimpse into the violent world of the motorcycle outlaw, but a gripping tale of self-sacrifice and human redemption that would be the stuff of great fiction—if it weren't all true. Rowe had been a drug dealer, crystal meth addict, barroom brawler, and convicted felon, but when he witnessed the Vagos brutally and senselessly beat his friend over a pool game, everything changed.

Rowe decided to pay back his Southern California hometown for the sins of his past by taking down the gang that was terrorizing it. He volunteered himself as an undercover informant for the Bureau of Alcohol, Tobacco, Firearms, and Explosives and vowed to dismantle the brotherhood from the inside out, becoming history's first private citizen to voluntarily infiltrate an outlaw motorcycle gang for the U.S. government.

As "Big George," a full-patched member of the Vagos, Rowe spent three brutal years juggling a double life—riding, fighting, and nearly dying alongside the brothers who he secretly hoped to put away for good. During this time, Rowe also became entwined in a tumultuous relationship with a struggling addict named Jenna, never once revealing that he was actually working for the Feds. The road to redemption was not an easy ride. Rowe lost everything: his family, his business, his home—even his identity.

To this day, under protection by the U.S. government, Rowe still looks over his shoulder, keeping watch for the brothers he put behind bars. They've vowed to search for him until the day they die.

Barbara Roundtree:

Often the book Gods of Mischief: My Undercover Vendetta to Take Down the Vagos Outlaw Motorcycle Gang has a lot info on it. So when you read this book you can get a lot of advantage. The book was written by the very famous author. Tom makes some research just before write this book. This specific book very easy to read you may get the point easily after reading this book.

Dolores Rawson:

Why? Because this Gods of Mischief: My Undercover Vendetta to Take Down the Vagos Outlaw Motorcycle Gang is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will distress you with the secret it inside. Reading this book close to it was fantastic author who write the book in such amazing way makes the content on the inside easier to understand, entertaining way but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of positive aspects than the other book have got such as help improving your skill and your critical thinking technique. So , still want to hold up having that book? If I had been you I will go to the publication store hurriedly.

Pamela Wilson:

Many people spending their period by playing outside with friends, fun activity using family or just watching TV the entire day. You can have new activity to invest your whole day by reading through a book. Ugh, think reading a book can really hard because you have to accept the book everywhere? It fine you can have the e-book, having everywhere you want in your Smart phone. Like Gods of Mischief: My Undercover Vendetta to Take Down the Vagos Outlaw Motorcycle Gang which is getting the e-book version. So , why not try out this book? Let's view.
