Jumpers (A Short Story) (Kindle Single) Zoe Vandeveer

This story was originally published in Day One, a weekly literary journal dedicated to short fiction and poetry from emerging writers.

Rather than sit and watch dust bunnies collect in her empty apartment, recently divorced and unemployed Claire agrees to a sojourn with her sister. After a yearlong battle with cancer that she is claiming to have won, Jane suggests a celebratory luxury cruise on the Queen Mary II. Between black-tie dinners, overly friendly personal stewards, and afternoons spent swaddled in wool blankets on the observation deck, Claire and Jane try to heal in their own separate ways. But when Claire makes a surprising discovery, she is forced to examine what it means to be well, just how easy it is to convince herself that everything is okay, and that not everyone is so easily fooled by the sisters' fragile optimism.
