Fans of the classic detective/spy story as well as the popular THE SECRET SERIES will adore this highly illustrated debut middle-grade adventure featuring three young sleuths!

Fear Not the Unexpected.

Eleven-year-old Fairday Morrow is less than thrilled that her family is moving thousands of miles from civilization to the quiet country town of Ashpot, Connecticut, where she's absolutely certain she'll die of boredom.

As if leaving New York City and her best friend, Lizzy, the only other member of the elite Detective Mystery Squad (DMS), weren't bad enough, Fairday is stuck living in the infamous Begonia House, a creepy old Victorian with dark passageways, a gigantic dead willow tree, and a mysterious past.

Before she can even unpack, strange music coming from behind a padlocked door leads Fairday up a spiral staircase and into a secret room, where an ancient mirror, a brass key, and a strange picture of a red-haired lady are the first in a series of clues that takes the members of the Detective Mystery Squad on an amazing adventure.

*"The novel builds to an exciting climax that takes magic in stride and suggests that further mysteries await the DMS trio."--**Publisher's Weekly***

*"This paranormal mystery will be of interest to young readers looking for something spooky but not violent or scary."--**Booklist***
