Jesse Williams:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the professor want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Wake Up, Sun! (Step into Reading) can make you really feel more interested to read.
